

Happy New Year from your friends and family at AICS!

Bone and Glass Necklace and Beaded Ornament Classes

AICS hosted two weekend classes in December! The first taught how to make Bone and Glass Necklaces and the second taught how to bead on a glass ornament! Thank you so much to our instructors and our community for learning a new skill with AICS!

AICS Christmas Party

Thank you so much to everyone who celebrated with us at our December holiday party. We handed out so many presents to the children in our community, and we hope everyone had a safe and joyous holiday season!
